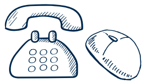
Why consider a furniture protection plan?

It covers life's little accidents, such as food or drink spills and accidental damage to your furniture. Interior, exterior, motion and technology coverage begins from the expiry of the manufacturers guarantee. These must be reported to us each time they happen in accordance with the terms and conditions of your plan.



When accidents happen, we have a team of trained furniture experts ready to repair damage and remove stains. To make a claim, simply visit our website **(guardsman.co.uk)** or call our Customer Support Advisors on **01235 448820.**

Wherever possible, our network of expert repair technicians and stain removal specialists always try to repair the damage.

If a repair isn't possible, we will source new parts for you, or a replacement item if parts are not available.

Claim for as many incidents as you need over 5 years. You'll have cover for parts, labour and replacement items up to the indemnity value of your plan. Your indemnity value is the price you originally paid for your furniture or £25,000, whichever is the lowest. Your limit of indemnity will reduce after each claim.

A Guardsman Protection Plan is not a substitute for regular care and cleaning.

We'll take care of the accidents, but the day-to-day care is down to you.

We recommend Safeclean for general cleaning. Visit www.safeclean.co.uk to find your local technician and obtain a free quotation.
