A healthier good night's sleep

We lose around a pint of water in perspiration whilst in bed, which can be absorbed into the mattress if a protector is not in use. This becomes a perfect breeding ground for bacteria and mold, leading to dust mite infestation.

That's why it's so important to care for your mattress and use a protector!

Guardsman Mattress Protectors have the following benefits:

Stay healthier

Effective in helping to reduce dust mites and bacteria from breeding inside the mattress, the common cause of asthma, eczema and rhinitis.

Prevent spills and stains

Waterproof membrane which allows heat and moisture out and stops liquid seeping in.

Machine washable

Machine washable and suitable for tumble or line drying.

Choosing the right protector for you:

Natural: boasting a silky smooth lyocell fiber bringing effortless comfort. It's 100% organic and manufactured using environmentally friendly processes.

Luxury: reversible; with a super-soft and cosy fleece one side, and microfibre quilting on the other to draw away moisture for added comfort.

If we can't fix it, we won't let you down!

It covers life's little accidents, such as food or drink spills and accidental damage to your bedroom furniture. Exterior, motion and technology coverage begins from the expiry of the manufacturers guarantee. These must be reported to us each time they happen in accordance with the terms and conditions of your plan.

When accidents happen, we have a team of trained furniture experts ready to repair damage and remove stains. To make a claim, simply visit our website (guardsman.co.uk) or call our Customer Support Advisors on 01235 448820.

Wherever possible our network of expert repair technicians and stain removal specialists always try to repair the damage.

If a repair isn't possible, we will source new parts for you, or a replacement item if parts are not available.

Your indemnity value is the price you originally paid for your furniture or £25,000, whichever is the lowest. Your limit of indemnity will reduce after each claim.
